with

JOHN DE GRAAF & PAUL GILDING

What? Discuss their latest books, *The Great Disruption*, by Gilding, and *What's the Economy for, Anyway?*, by De Graaf. Also, hear about the Happiness Initiative, a national project based in Seattle.

They both agree that it's time to stop chasing economic growth as our highest goal, and concentrate instead on the pursuit of happiness. What do you think?

Where? UW Seattle Campus, Kane 210
